

Disclaimer

1. Content

The content of this website is intended to provide information on Ophtec BV, and is promotional in nature. No representation is being made, no offer is being communicated, and no agreement is or can be entered into as a consequence of the review of the content of this site. Ophtec BV reserves the right not to be responsible for, and expressly disclaims and advises any reader of its disclaimer of the topicality, correctness, completeness or quality of the information provided. Reliance should not occur on the content of this site other than to generally advise the reader as to Ophtec BV and, prior to any reliance or decision, cause the reader to affirmatively contact Ophtec BV, pursue direct information as to any specific issues or proposed transactions, conduct such due diligence as may be appropriate, and make a fully informed decision as to any contemplated transaction. No action should be taken in reliance on the information provided in this site, and liability claims regarding damage caused by the use of any information provided, including any kind of information, which is incomplete or incorrect, will therefore be rejected and the reader is advised that no claims may be predicated upon the information in this site. All information relating to offers are not binding and without obligation, and no offers or agreements shall bind Ophtec BV unless and until directly addressed with the company and confirmed in writing after a full due diligence and discussion. The information provided in this site may also not be the most current or complete, as parts and pricing will change from time to time. Parts of the pages or the complete publication including all offers and information might be extended, changed or partly or completely deleted by Ophtec without separate announcement.

Medical Information: This web site may contain information relating to medical conditions and their treatment. Such information is provided for informational purposes only and is not meant to be a substitute for advice provided by a doctor or other qualified healthcare professional or as a substitute for an Ophtec BV private training session for eye surgeons. No reliance may be placed, or should be placed, on the information generally referenced in this site as to medical conditions and treatment, as it is general information for promotional purposes and not intended to be, and cannot be a substitute for a full appropriate examination and diagnosis by a qualified health care practitioner.

2. Referrals and Links

Ophtec BV is not responsible for any contents linked or referred to from these pages and Ophtec BV's website. Any links or referrals are based upon Ophtec BV's current information, but is not an endorsement of, or assurance of the accuracy or truthfulness of the linked or referred pages or sites. Any person seeking to or intending to rely on linked or referred pages must independently address and confirm the accuracy of the content or representations, and may not and should not rely on Ophtec BV's link or referral as an endorsement or assurance of accuracy or content. Should any loss or damage occur by the use of information presented at a linked or referred site, only the author or authors of those linked or referred pages are liable for their content, not Ophtec BV. Furthermore Ophtec BV is not liable for any postings or messages published by users of discussion boards, guest books or mailing lists provided on this site.

3. Copyright

Ophtec BV intends not to use any other party's copyrighted material in this site absent the consent of the owner of the material or copyright, and to indicate the copyright of the respective subject matter where applicable. To the extent any party reviewing this site believes that third party copyrighted material is being included without the owner's consent, please immediately

notify Ophtec BV in writing at the address below so that corrective action may be taken. As to the content of this site, the copyright for any material created by the Ophtec BV is expressly reserved and no content on this site, in whole or in part, may be used, reproduced, republished or converted by any reader or other party without Ophtec BV's prior written consent, which Ophtec BV is free to give or withhold in its sole discretion. Any duplication or use of objects such as diagrams, sounds or texts in other electronic or printed publications is not permitted without Ophtec BV's prior written consent.

4. Privacy Policy

If the opportunity for the input of personal or business data (email addresses, name, addresses) is given, input of these data takes place voluntarily and with no assurances of limited distribution, use or restricted access by Ophtec BV. The use and payment of all offered services are permitted-if and so far technically possible and reasonable – without specification of any personal data or under specification of anonymized data or an alias. The use of published postal addresses, telephone or fax numbers and email addresses for marketing purposes is prohibited by Ophtec BV, and parties sending unwanted spam messages will be the subject of full legal remedies by Ophtec BV.

5. Legal Validity of this Disclaimer

This Disclaimer is an integral and material part of the entire content of this site and publication, and extends to each page, paragraph, sentence and section with full and equal force and effect. To the extent any aspect of this Disclaimer is ineffective or invalid, for whatever reason, the remaining sections are and shall remain unaffected.
